

How To Use:

After washing, towel-dry hair. Apply evenly from neck to ends, section by section. Ensure full saturation. Use in a well-ventilated area.

Leave in for 20–30 minutes to let the peptide-rich formula deeply strengthen and prepare hair.

Blow-dry, then flat iron to seal the treatment, leaving hair straighter, with intense shine and a glass hair finish.

Rinse thoroughly, then blow-dry again and style as desired. Results last up to 6 months with proper aftercare, making it an ideal solution for long-term shine.

For best results, apply **Peptide Glazing Hair Mask**. Towel dry hair, apply a liberal amount thoroughly from roots to the ends. Hair will feel smoother, more manageable, and luxuriously soft.

Why Choose Gushli?

Achieve Your Dream Hair with Our Premium Hair Care Line

Your hair deserves the best care, and at Gushli, we believe in providing salon-quality solutions to meet every hair need. Our expertly formulated products are designed to repair, nourish, and protect, giving you the dream hair, you've always wanted.
